b) If this contract results from a solicitation other than described in paragraph a), above, contractor's quotation or proposal is deemed a firm offer and this contract document is the State's acceptance of that offer.

The State assumes no responsibility or obligation for the division of orders or purchases among joint contractors.

3. COMPLETE INTEGRATION: This contract, including any documents incorporated herein by express reference, is intended to be a complete integration and there are no prior or contemporaneous different or additional agreements pertaining to the subject matter of the contract.

4. SEVERABILITY: The contractor and the State agree that if any provision of this contract is found to be illegal or unenforceable, such term or provision shall be deemed stricken and the remainder of the contract shall remain in full force and effect. Either party having knowledge of such term or provision shall promptly inform the other of the presumed non-applicability of such provision.

8. CONTRACTOR'S POWER AND AUTHORITY: The contractor warrants that it has full power and authority to grant the rights herein granted and will hold the State harmless from and against any loss, cost, liability, and expense (including reasonable attorney fees) arising out of any breach of this warranty. Further, contractor avers that it will not enter into any arrangement with any third party which might abridge any rights of the State under this contract.

The State will notify Contractor of any such claim in writing and tender the defense thereof within a reasonable time; and

Contractor will have sole control of the defense of any action on such claim and all negotiations for its settlement or compromise; provided that (i) when substantial principles of government or public law are involved, when litigation might create precedent affecting future State operations or liability, or when involvement of the State is otherwise mandated by law, the State may participate in such action at its own expense with respect to attorneys' fees and costs (but not liability); (ii) the State will have the right to approve or disapprove any settlement or compromise, which approval will not unreasonably be withheld or delayed; and (iii) the State will reasonably cooperate in the defense and in any related settlement negotiations.

The rights and remedies of the State herein are cumulative and are in addition to any other rights or remedies that the State may have at law or in equity.

11. ORDER OF PRECEDENCE: In the event of any inconsistency between the articles, attachments, specifications or provisions which constitute this Contract, the following order of precedence shall apply:

- b) All shipments by contractor or its subcontractors must include packing sheets identifying: the State's contract number; item number; quantity and unit of measure; part number and description of the goods shipped; and appropriate evidence of inspection, if required. - c) On "F.O.B. Shipping Point" transactions, should any shipments under the contract be received by the State in a damaged condition and any related freight loss and damage claims filed against the carrier or carriers be wholly or partially declined by the carrier or carriers with the inference that damage was the result of the act of the shipper such as inadequate packaging or loading or some inherent defect in the equipment and/or material, contractor, on request of the State, shall at contractor's own expense assist the State in establishing carrier liability by supplying evidence that the equipment and/or material was properly constructed, manufactured, packaged, and secured to withstand normal transportation conditions.

14. TIME IS OF THE ESSENCE:

- b) All goods may be subject to inspection and test by the State or its authorized representatives.
- c) Contractor and its subcontractors shall provide all reasonable facilities for the safety and convenience of inspectors at no additional cost to the State. Contractor shall furnish to inspectors all information and data as may be reasonably required to perform their inspection.
- d) All goods to be delivered hereunder may be subject to final inspection, test and acceptance by the State at destination, notwithstanding any payment or inspection at source.
- e) The State shall give written notice of rejection of goods delivered or services performed hereunder within a reasonable time after receipt of such goods or performance of such services. Such notice of rejection will state the respects in which the goods do not substantially conform to their specifications. If the State does not provide such notice of rejection within thirty (30) days, unless otherwise specified in the Statement of Work, of delivery, such goods and services will be deemed to have been accepted. Acceptance by the State will be final and irreversible, except as it relates to latent defects, fraud, and gross mistakes amounting to fraud. Acceptance shall not be construed to waive any warranty rights that the State might have at law or by express reservation in this Contract with respect to any nonconformity.

18. SAMPLES:

- a) Samples of items may be required by the State for inspection and specification testing and must be furnished free of expense to the State. The samples furnished must be identical in all respects to the products bid and/or specified in the contract.

under this warranty.

- b) All warranties, including special warranties specified elsewhere herein, shall inure to the State, its successors, assigns, customer agencies and users of the goods or services.

20. SAFETY AND ACCIDENT PREVENTION: In performing work under this contract on State premises, contractor shall conform to any specific safety requirements contained in the contract or as required by law or regulation. Contractor shall take any additional precautions as the State may reasonably require for safety and accident prevention purposes. Any violation of such rules and requirements, unless promptly corrected, shall be grounds for termination of this contract in accordance with the default provisions hereof.

21. INSURANCE: When performing work on property in the care, custody or control of the State, contractor shall maintain all commercial general liability insurance, workers' compensation insurance and any other insurance the State deems appropriate under the contract. Contractor shall furnish an insurance certificate evidencing required insurance coverage acceptable to the State. Upon request by the buyer, the contractor may be required to have the State shown as an "additional insured" on selected policies.

22. TERMINATION FOR NON-APPROPRIATION OF FUNDS:

- a) If the term of this contract extends into fiscal years subsequent to that in which it is approved, such continuation of the contract is contingent on the appropriation of funds for such purpose by the Legislature. If funds to effect such continued payment are not appropriated, contractor agrees to take back any affected goods furnished under this contract, terminate any services supplied to the State under this contract, and relieve the State of any further obligation therefore.
- b) STATE AGREES THAT IF PARAGRAPH (a) ABOVE IS INVOKED, GOODS SHALL BE RETURNED TO THE CONTRACTOR IN SUBSTANTIALLY THE SAME CONDITION IN WHICH DELIVERED TO THE STATE, SUBJECT TO NORMAL WEAR AND TEAR. STATE FURTHER AGREES TO PAY FOR PACKING, CRATING, TRANSPORTATION TO CONTRACTOR'S NEAREST FACILITY AND FOR REIMBURSEMENT TO THE CONTRACTOR FOR EXPENSES INCURRED FOR THEIR ASSISTANCE IN SUCH PACKING AND CRATING.

23. TERMINATION FOR THE CONVENIENCE OF THE STATE:

- a) The State may terminate performance of work under this contract for its convenience in whole or, from time to time, in part, if the Department of General Services, Deputy Director, Procurement Division, or designee, determines that a termination is in the State's interest. The Department of General Services, Deputy Director, Procurement Division, or designee, shall terminate by delivering to the contractor a Notice of Termination specifying the extent of termination and the effective date thereof. The parties agree that, as to the terminated portion of the contract, the contract shall be deemed to remain in effect until such time as the termination settlement, if any, is concluded and the contract shall not be void.
- b) After receipt of a Notice of Termination, and except as directed by the State, the contractor shall immediately proceed with the following obligations, as applicable, regardless of any delay in determining or adjusting any amounts due under this clause. The Contractor shall:
- i) Stop work as specified in the Notice of Termination.
 - ii) Place no further subcontracts for materials, services, or facilities, except as necessary to complete the

continued portion of the contract.

- iii) Terminate all subcontracts to the extent they relate to the work terminated.
- iv) Settle all outstanding liabilities and termination settlement proposals arising from the termination of subcontracts; the approval or ratification of which will be final for purposes of this clause.

24. TERMINATION FOR DEFAULT:

- a) The State may, subject to the Force Majeure paragraph contained herein, by written notice of default to the contractor, terminate this contract in whole or in part if the contractor fails to:
- i) Deliver the goods or to perform the services within the time specified in the contract or any amendment thereto;
 - ii) Make progress, so as to endanger performance of this contract (but see subparagraph (b) below); or
 - iii) Perform any of the other provisions of this contract (but see subparagraph (b), below).
- b) The State's right to terminate this contract under subparagraphs (a)(ii) and (a)(iii) above, may be exercised if the contractor does not cure such failure within the time frame stated in the cure notice issued by the buyer.
- c) If the State terminates this contract in whole or in part, it may acquire, under the terms and in the manner the buyer considers appropriate, goods or services similar to those terminated, and the contractor will be liable to the State for any excess costs for those goods or services. However, the contractor shall continue the work not terminated.
- d) If the contract is terminated for default, the State may require the contractor to transfer title and deliver to the State, as directed by the buyer, any:
- i) Completed goods, and
 - ii) Partially completed goods and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (collectively referred to as "manufacturing materials" in this clause) that the contractor has specifically produced or acquired for the terminated portion of this contract. Upon direction of the buyer, the contractor shall also protect and preserve property in its possession in which the State has an interest.
- e) The State shall pay contract price for completed goods delivered and accepted. The contractor and buyer shall agree on the amount of payment for manufacturing materials delivered and accepted for the protection and preservation of the property. Failure to agree will be a dispute under the Disputes clause. The State may withhold from these amounts any sum the buyer determines to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders.
- f) If, after termination, it is determined that the contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the State.
- g) The rights and remedies of the State in this clause are in addition to any other rights and remedies provided by law or under this contract.

25. FORCE MAJEURE:

Except for defaults of subcontractors at any tier, the contractor shall not be liable for any excess costs if the failure to perform the contract arises from causes beyond the control and without the fault or negligence of the contractor. Examples of such causes include, but are not limited to:

- a) Acts of God or of the public enemy, and

GENERAL PROVISIONS**

b) Acts of the federal or state government in either its sovereign or contractual capacity.

If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is beyond the control of both the contractor and subcontractor, and without the fault or negligence of either, the contractor shall not be liable for any excess costs for failure to perform.

26. RIGHTS AND REMEDIES OF STATE FOR DEFAULT:

a) In the event any goods furnished or services provided by the contractor in the performance of the contract should fail to conform to the requirements herein, or to the sample submitted by the contractor, the State may reject the same, and it shall become the duty of the contractor to reclaim and remove the item promptly or to correct the performance of services, without expense to the State, and immediately replace all such rejected items with others conforming to the contract.

b) In addition to any other rights and remedies the State may have, the State may require contractor, at contractor's expense, to ship goods via air freight or expedited routing to avoid or minimize actual or potential delay if the delay is the fault of the contractor.

c) In the event of the termination of the contract, either in whole or in part, by reason of default or breach by the contractor, any loss or damage sustained by the State in procuring any items which the contractor agreed to supply shall be borne and paid for by the contractor.

d) The State reserves the right to offset the reasonable cost of all damages caused to the State against any outstanding invoices or amounts owed to contractor or to make a claim against the contractor therefore.

27. CONTRACTOR'S LIABILITY FOR INJURY TO PERSONS OR DAMAGE TO PROPERTY:

a) The contractor shall be liable for damages arising out of injury to the person and/or damage to the property of the State, employees of the State, persons designated by the State for training, or any other person(s) other than agents or employees of the contractor, designated by the State for any purpose, prior to, during, or subsequent to delivery, installation, acceptance, and use of the goods either at the contractor's site or at the State's place of business, provided that the injury or damage was caused by the fault or negligence of the contractor.

b) Contractor shall not be liable for damages arising out of or caused by an alteration or an attachment not made or installed by the contractor, or for damage to alterations or attachments that may result from the normal operation and maintenance of the goods provided by the contractor during the contract.

28. INDEMNIFICATION: Contractor agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all claims and losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers and any other person, firm, or corporation furnishing or supplying work, services, materials or supplies in connection with the performance of this contract, and from any and all claims and losses accruing or resulting to any person, firm or corporation which may be injured or damaged by contractor in the performance of this contract.

29. INVOICES: Unless otherwise specified, invoices shall be sent to the address set forth herein. Invoices shall be submitted in triplicate and shall include the contract number; release order number (if applicable); item number; unit price, extended item price and invoice total amount. State sales tax and/or use tax shall be itemized separately and added to each invoice as

applicable.

30. REQUIRED PAYMENT DATE: Payment will be made in accordance with the provisions of the California Prompt Payment Act, Government Code Section 927 et. seq. Unless expressly exempted by statute, the Act requires state agencies to pay properly submitted, undisputed invoices not more than 45 days after (i) the date of acceptance of goods or performance of services; or (ii) receipt of an undisputed invoice, whichever is later.

31. TAXES: Unless otherwise required by law, the State of California is exempt from Federal excise taxes. The State will only pay for any State or local sales or use taxes on the services rendered or goods supplied to the State pursuant to this contract.

32. NEWLY MANUFACTURED GOODS: All goods furnished under this contract shall be newly manufactured goods; used or reconditioned goods are prohibited, unless otherwise specified.

33. CONTRACT MODIFICATION: No amendment or variation of the terms of this contract shall be valid unless made in writing, signed by the parties and approved as required. No oral understanding or agreement not incorporated in the contract is binding on any of the parties.

34. CONFIDENTIALITY OF DATA: All financial, statistical, personal, technical and other data and information relating to the State's operation which are designated confidential by the State and made available to the contractor in order to carry out this contract, or which become available to the contractor in carrying out this contract, shall be protected by the contractor from unauthorized use and disclosure through the observance of the same or more effective procedural requirements as are applicable to the State. The identification of all such confidential data and information as well as the State's procedural requirements for protection of such data and information from unauthorized use and disclosure shall be provided by the State in writing to the contractor. If the methods and procedures employed by the contractor for the protection of the contractor's data and information are deemed by the State to be adequate for the protection of the State's confidential information, such methods and procedures may be used, with the written consent of the State, to carry out the intent of this paragraph. The contractor shall not be required under the provisions of this paragraph to keep confidential any data or information which is or becomes publicly available, is already rightfully in the contractor's possession, is independently developed by the contractor outside the scope of this contract, or is rightfully obtained from third parties.

35. NEWS RELEASES: Unless otherwise exempted, news releases pertaining to this contract shall not be made without prior written approval of the Department of General Services.

36. PATENT, COPYRIGHT and TRADE SECRET INDEMNITY:

a) Contractor shall hold the State of California, its officers, agents and employees, harmless from liability of any nature or kind, including costs and expenses, for infringement or use of any copyrighted or uncopyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used in connection with the contract.

b) Contractor may be required to furnish a bond to the State against any and all loss, damage, costs, expenses, claims and liability for patent, copyright and trade secret infringement.

**WESTERN STATES CONTRACTING ALLIANCE (WSCA)
NATIONAL ASSOCIATION OF STATE PROCUREMENT OFFICIALS (NASPO)
MBF INDUSTRIES, INC.
GENERAL PROVISIONS**

c) Contractor, at its own expense, shall defend any action brought against the State to the extent that such action is based upon a claim that the goods or software supplied by the contractor or the operation of such goods pursuant to a current version of contractor supplied operating software infringes a United States patent or copyright or violates a trade secret. The contractor shall pay those costs and damages finally awarded against the State in any such action. Such defense and payment shall be conditioned on the following:

i) That the contractor shall be notified within a reasonable time in writing by the State of any notice of such claim; and,

ii) That the contractor shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise, provided, however, that when principles of government or public law are involved, the State shall have the option to participate in such action at its own expense.

d) Should the goods or software, or the operation thereof, become, or in the contractor's opinion are likely to become, the subject of a claim of infringement of a United States patent or copyright or a trade secret, the State shall permit the contractor at its option and expense either to procure for the State the right to continue using the goods or software, or to replace or modify the same so that they become non-infringing. If none of these options can reasonably be taken, or if the use of such goods or software by the State shall be prevented by injunction, the contractor agrees to take back such goods or software and make every reasonable effort to assist the State in procuring substitute goods or software. If, in the sole opinion of the State, the return of such infringing goods or software makes the retention of other goods or software acquired from the contractor under this contract impractical, the State shall then have the option of terminating such contracts, or applicable portions thereof, without penalty or termination charge. The contractor agrees to take back such goods or software and refund any sums the State has paid contractor less any reasonable amount for use or damage.

e) The contractor shall have no liability to the State under any provision of this clause with respect to any claim of patent, copyright or trade secret infringement which is based upon:

i) The combination or utilization of goods furnished hereunder with equipment or devices not made or furnished by the contractor; or,

ii) The operation of equipment furnished by the contractor under the control of any operating software other than, or in addition to, the current version of contractor-supplied operating software; or

iii) The modification by the State of the equipment furnished hereunder or of the software; or

iv) The combination or utilization of software furnished hereunder with non-contractor supplied software.

f) Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this contract for the acquisition, operation or maintenance of computer software in violation of copyright laws.

g) The foregoing states the entire liability of the contractor to the State with respect to infringement of patents, copyrights or trade secrets.

37. EXAMINATION AND AUDIT: Contractor agrees that the State, or its designated representative shall have the right to review and copy any records and supporting documentation pertaining to performance of this contract. Contractor agrees to maintain such records for possible audit for a minimum of three (3) years after final payment, unless a longer period of records retention is

stipulated. Contractor agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees or others who might reasonably have information related to such records. Further, contractor agrees to include a similar right of the State to audit records and interview staff in any subcontract related to performance of this contract.

38. DISPUTES –

a) The parties shall deal in good faith and attempt to resolve potential disputes informally. If the dispute persists, contractor shall submit to the Department Director or designee a written demand for a final decision regarding the disposition of any dispute between the parties arising under, related to or involving this contract, unless the State, on its own initiative, has already rendered such a final decision. Contractor's written demand shall be fully supported by factual information, and if such demand involves a cost adjustment to the contract, contractor shall include with the demand a written statement signed by an authorized person indicating that the demand is made in good faith, that the supporting data are accurate and complete and that the amount requested accurately reflects the contract adjustment for which contractor believes the State is liable. If the contractor is not satisfied with the decision of the Department Director or designee, the contractor may appeal the decision to the Department of General Services, Deputy Director, Procurement Division. In the event that this contract is for information technology goods and/or services, the decision may be appealed to an Executive Committee of State and contractor personnel.

b) Pending the final resolution of any dispute arising under, related to or involving this contract, contractor agrees to diligently proceed with the performance of this contract, including the delivery of goods or providing of services in accordance with the State's instructions. Contractor's failure to diligently proceed in accordance with the State's instructions shall be considered a material breach of this contract.

c) Any final decision of the State shall be expressly identified as such, shall be in writing, and shall be signed by the Department Director or designee or Deputy Director, Procurement Division if an appeal was made. If the State fails to render a final decision within 90 days after receipt of contractor's demand, it shall be deemed a final decision adverse to contractor's contentions. The State's final decision shall be conclusive and binding regarding the dispute unless contractor commences an action in a court of competent jurisdiction to contest such decision within 90 days following the date of the final decision or one (1) year following the accrual of the cause of action, whichever is later.

39. STOP WORK:

a) The State may, at any time, by written Stop Work Order to the contractor, require the contractor to stop all, or any part, of the work called for by this contract for a period up to 90 days after the Stop Work Order is delivered to the contractor, and for any further period to which the parties may agree. The Stop Work Order shall be specifically identified as such and shall indicate it is issued under this clause. Upon receipt of the Stop Work Order, the contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the Stop Work Order during the period of work stoppage. Within a period of 90 days after a Stop Work Order is delivered to the contractor, or within any extension of that period to which

**WESTERN STATES CONTRACTING ALLIANCE (WSCA)
NATIONAL ASSOCIATION OF STATE PROCUREMENT OFFICIALS (NASPO)
MBF INDUSTRIES, INC.
GENERAL PROVISIONS**

the parties shall have agreed, the State shall either:

- i) Cancel the Stop Work Order; or
 - ii) Terminate the work covered by the Stop Work Order as provided for in the termination for default or the termination for convenience clause of this contract.
- b) If a Stop Work Order issued under this clause is canceled or the period of the Stop Work Order or any extension thereof expires, the contractor shall resume work. The State shall make an equitable adjustment in the delivery schedule, the contract price, or both, and the contract shall be modified, in writing, accordingly, if:
- i) The Stop Work Order results in an increase in the time required for, or in the contractor's cost properly allocable to the performance of any part of this contract; and
 - ii) The contractor asserts its right to an equitable adjustment within 30 days after the end of the period of work stoppage; provided, that if the State decides the facts justify the action, the State may receive and act upon a proposal submitted at any time before final payment under this contract.
- c) If a Stop Work Order is not canceled and the work covered by the Stop Work Order is terminated in accordance with the provision entitled Termination for the Convenience of the State, the State shall allow reasonable costs resulting from the Stop Work Order in arriving at the termination settlement.
- d) The State shall not be liable to the contractor for loss of profits because of a Stop Work Order issued under this clause.
- 40. PRIORITY HIRING CONSIDERATIONS:** If this contract includes services in excess of \$200,000, the contractor shall give priority consideration in filling vacancies in positions funded by the contract to qualified recipients of aid under Welfare and Institutions Code Section 11200 in accordance with PCC Section 10353.
- 41. COVENANT AGAINST GRATUITIES:** The contractor warrants that no gratuities (in the form of entertainment, gifts, or otherwise) were offered or given by the contractor, or any agent or representative of the contractor, to any officer or employee of the State with a view toward securing the contract or securing favorable treatment with respect to any determinations concerning the performance of the contract. For breach or violation of this warranty, the State shall have the right to terminate the contract, either in whole or in part, and any loss or damage sustained by the State in procuring on the open market any items which contractor agreed to supply shall be borne and paid for by the contractor. The rights and remedies of the State provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or in equity.
- 42. NONDISCRIMINATION CLAUSE:**
- a) During the performance of this contract, contractor and its subcontractors shall not unlawfully discriminate, harass or allow harassment, against any employee or applicant for employment because of sex, sexual orientation, race, color, ancestry, religious creed, national origin, disability (including HIV and AIDS), medical condition (cancer), age, marital status, and denial of family care leave. Contractor and subcontractors shall insure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. Contractor and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Government Code, Section 12990 et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations, Title 2, Section 7285.0 et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing

Government Code Section 12990 (a-f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations are incorporated into this contract by reference and made a part hereof as if set forth in full. Contractor and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement.

- b) The contractor shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under the contract.

43. NATIONAL LABOR RELATIONS BOARD CERTIFICATION:

Contractor swears under penalty of perjury that no more than one final, unappealable finding of contempt of court by a federal court has been issued against the contractor within the immediately preceding two-year period because of the contractor's failure to comply with an order of the National Labor Relations Board.
